

FOR IMMEDIATE RELEASE

ASG ANNOUNCES OFFICIAL RELEASE DATE FOR 2015 ASIA PACIFIC BUSINESS JET FLEET REPORT

Hong Kong, April 6, 2016 – Asian Sky Group (ASG) announces they will be releasing their Year End 2015 Asia Pacific Business Jet Fleet Report at this year's ABACE convention to be held in Shanghai next week.

The report follows in the footsteps of ASG's Year End 2015 Asia Pacific Civil Helicopter Fleet Report issued on March 1, 2016 and this year's business jet report is expanded to including India, New Zealand and Australia.

ASG's Business Jet Fleet Report provides the most comprehensive coverage and breakdown of the business jet fleet in the Asia-Pacific region.

Highlights include:

- An overview of 2015 fleet additions and deductions for the Asia Pacific region broken down by country, size category and OEM.
- Discover which OEM and country saw the highest growth and which operators expanded their fleets for 2015.
- A special section on the key Asia Pacific market of Greater China focusing on its growth and prospects of 2016.

A press conference will be held at ABACE on Monday, April 11 at 2:00 p.m. in Meeting Room 2 at the Hawker Pacific Hanger in Shanghai prior to the official release.

For copies of all of ASG's reports, please visit www.asianskygroup.com/media-reports.

About Asian Sky Group

ASIAN SKY GROUP (ASG), headquartered in Hong Kong with offices throughout Asia, has assembled the most experienced aviation team in the Asia-Pacific region to provide a wide range of independent services for both fixed and rotary-wing aircraft. ASG also provides access to a significant customer base around the world with the help of its exclusive partners.

ASG is backed by SEACOR Holdings Inc., a publically listed US company (NYSE: "CKH") with over US\$1 billion in revenue and US\$3 billion in assets, and also by Avion Pacific Limited, a mainland China-based general aviation service provider with over 20 years of experience and 6 offices and bases throughout China.
