

**The Asia Sky Forum – Business Aviation 2024 AGENDA**

On the 25<sup>th</sup> of June there will be a drinks reception at the hotel bar at 18:00 hosted by ACAM & JSSI

**Day 1 – 26<sup>th</sup> June, 2024**

09:00 – 09:10	<b>Introduction – Opening Remarks</b>
09:15 – 10:15	<b>Everything You Ever Wanted to Know about Indonesia</b> During this opening session, we will take a deep dive into the Indonesian business aviation market. Who are the major players? What airports are available? What Rules and Regulations are in place? This panel will tell you everything you ever wanted to know about the country.
10:20 – 10:45	<b>Case Study - TBD</b>
10:45 – 11:30	<b>Morning Tea Break – Hosted by Chapman Freeborn</b>
11:30 – 12:30	<b>Where to Register Your Aircraft</b> There are many choices of aircraft registries available, with each having different rules and regulations. But which one is right for you? This panel will look at all of the different options available, from the local registry right the way through to the offshore registries.
12:05 – 12:35	<b>Advanced Air Mobility in Southeast Asia</b> The advanced air mobility revolution is happening all around us, and Southeast Asia is home to some of the companies that are making it happen. Hear from the experts in the field about the difficulties and challenges ahead.
12:30 – 14:00	<b>Lunch – Hosted by Dassault Aviation</b>
14:00 – 14:30	<b>Keeping Business Aircraft Flying</b> This panel will look at the range of different maintenance programs and services that are available in the region. As well as looking at what approvals and what level of maintenance checks to be done, the panel will also look into preventative measures, and the maintenance programs that the keep the region's business aircraft flying.
14:35 – 15:00	<b>Fireside Chat – Jenny Lau, Chairperson, Asian Business Aviation Association</b>
15:30 – 15:45	<b>Afternoon Tea Break – Hosted by Chapman Freeborn</b>
15:45 – 16:25	<b>The Importance of Southeast Asia</b> Southeast Asia was the second fastest growing subregion in Asia-Pacific in 2023. This panel will look at the growing opportunities in Singapore, Malaysia,

	and the Philippines, what's driving the growth, the infrastructure and political challenges that lay ahead, and more importantly, how much can the countries grow in the next five years.
16:30 – 17:15	<b>Mitigating Transaction Risks in Southeast Asia</b> This panel looks at the legal issues and challenges when transacting in Indonesia and the rest of Southeast Asia. The panel will also explore tax implications, and where to close a transaction, as well as what to do if things go wrong, both during and after a transaction has been completed.
17:20 – 17:25	<b>First Day Recap &amp; Closing Remarks</b>
17:30 – 19:30	<b>Cocktail Reception hosted by Rolls-Royce</b>

### Day 2 – 27<sup>th</sup> June, 2024

09:10 – 09:15	<b>Introduction – Opening Remarks</b>
09:15 – 09:55	<b>Right Sizing the Region</b> With so many different aircraft available, is there a perfect type for Asia-Pacific? With so many different countries with different geography is there a one size fits all?
10:00 – 10:30	<b>Financing the Fleet</b> Different global regions can have unique pitfalls to be careful of when closing aircraft transactions. But what do people need to look out for when closing in Southeast Asia, and how can the potential pitfalls be mitigated?
10:30 – 11:00	<b>Morning Tea Break – Hosted by Aviatory Indonesia</b>
11:00 – 11:30	<b>Safety and Security</b> Staying safe in any region is everybody's top priority. But what happens when things go wrong? What options are there if people need airlifting out of the country, and how do you minimize the chances of the worst happening?
11:35 – 12:00	<b>The Indochina Panel</b> Indochina is one of the fastest growing subregions in Asia-Pacific. This panel will look at the growing opportunities in Laos, Cambodia Thailand and Vietnam, who the new owners are, the infrastructure and political challenges that lay ahead, and more importantly, how much can the countries grow in the next five years.
12:05 – 12:30	<b>Fireside Chat - Francois Lasalle - SGI</b>
12:30 – 14:00	<b>Lunch – Hosted by Bombardier</b>
14:00 – 14:45	<b>The Charter Panel</b> What are the current trends in the charter market, who are the people chartering, where are they going, and what types of aircraft are they using?
14:50 – 15:30	<b>Alternative lift - Indonesia's Unique Geography</b> Indonesia is made up of more than 18,000 islands, of which 600 are inhabited. This unique geography means that transportation, especially by air, is a vital lifeline in the country that connects smaller islands with the essential services that their residents need. This panel will look across all different forms of air transportation that connects the islands, from helicopters right the way through to the next generation of sea gliders.
15:30 – 16:00	<b>Afternoon Tea Break</b>
16:00 – 16:30	<b>Build it and they will Come</b> Infrastructure, be it airports, hangars or FBOs are vital parts of the business aviation infrastructure. This panel will ask if Southeast Asia has enough infrastructure, and if not, where it is needed the most
16:30 – 16:35	<b>Closing Remarks</b>
